when you invite the  
Easter Bunny to visit**

**Where in Wichita is the #ICTeasterBunny**

This visit works best for busy establishments and eateries. Our bunny and photographer will spend 15-20 minutes greeting your customers and taking pictures. Fun for all ages, we cherish building relationships with the young and young at heart.

To participate: Choose a time of day when your establishment is busy and book your time! We will ask you to display a flier in your window after your visit, so patrons can find their photos. Your business will be tagged in our marketing campaign and photos uploaded to Instagram and Facebook.

Cost of participation is \$25, which includes visit, photography, advertising budget, graphic design and print media costs.

**Bunny Visits by the Hour**

Hire the ICT Easter Bunny or Peter Rabbit to stroll around your establishment, greet guests, pose for photos and give out stickers.
